

# IRON GARDEN WORKSHOP

Thanks for signing up for my 'Iron Garden' Workshop! I am so excited to sew along side of you.

## Each participant will need:

- "Iron Garden Pattern" (Available for purchase on September 15th at Beyond the Bolt - \$13)
- A 6 ½" square ruler for small throw, or a 10 ½" square ruler for the large throw.
- Fabric indicated on the back of the quilt pattern. You can make either size throw you'd prefer!
- On the day of the workshop everyone should bring their own sewing machine, threads, and basic sewing tools.

## Pre-Class Homework:

- Please have all fabric cut before class. (You do not need to cut the curves before class, we will do that together!)

You do not have to buy your fabric at Beyond the Bolt. You can shop anywhere you'd like or use fabric from your stash. If you choose to shop at Beyond the Bolt for your fabrics, pattern, or square ruler, you will get 15% off those materials.

If you have any questions before the workshop, please don't hesitate to call (401) 424-4670 or email me at [colleen@beyondthebolt.com](mailto:colleen@beyondthebolt.com)
